

CSR Program - How it Works

Collect your old laptops and mobile devices

Unlocked devices generate greater funds and can be reused instead of recycled

PhoneCycle arranges a free courier collection

Devices securely wiped, tested and valued

All reports and erasure documents provided

The value of your devices is paid to you or your nominated charity

Graded devices are assigned to reuse, repair or recycle channels

Receive CSR Certificate showing key sustainability results achieved

CSR communications material for stakeholders and social media

The planet will thank you for playing your part in a more sustainable future
